Notes

The Harbour Trustees have the power to negotiate a favourable compounded rate with all regular users.

Compounded rate qualifying periods are from 1st April to 31st March annually.

All vessels must berth in the harbour, or anchor within port limits, according to the directions of the Harbour Master.

A vessel's tonnage for charging purposes shall be the Gross Tonnage as defined by an International Tonnage Certificate, 1969 (ITC69).

In this schedule of charges a 'day' means a calendar day and includes any part thereof.

- (a) Terms of Payment in respect of all charges made under the schedule of Rates and Dues shall be 30 days or such other terms as may have been previously agreed, in writing, by the Trust.
- (b) Unless otherwise agreed in writing, any amount due to the Trust which is not paid within the agreed period shall be liable to bear simple interest from the date at which it became due, up to and including the date of payment, at the rate of 2% above the bank Base Rate, per 30 day period.
- (c) The above provision shall not be construed by customers as an indication of any willingness on the part of the Trust to provide extended credit as a matter of course.

Within 30 days of entering the Harbour, either the Master / Skipper, or Owner, or Agent of such vessel shall furnish as appropriate details of either:-

- (a) the gross value of fish / fish products or shellfish landed, or
- (b) cargo loaded or unloaded, and / or,
- (c) passenger and / or vehicles embarked or disembarked,

In the absence of such details, the Trust reserves the right to invoice vessels / agents / owners on an estimated basis. The Trust's normal Terms of Payment, as set out in paragraph 6 above, shall apply to all such estimated invoices.

VAT applies to all vessels under 15 GRT and all recreation or pleasure vessels.

Yachts or pleasure craft in excess of 50 GRT shall be charged in accordance with Part 2 (a) of this schedule and shall be subject to VAT.

No vessel is to be stored on quayside areas without prior permission of the Harbour Master, whose decision as to the storage area shall be final.

No vessel is to be launched / lifted into / lifted out of the Harbour without prior permission of the Harbour Master.

All goods and ships' equipment, including trawl doors, towing beams, nets, ropes, drums, lobster, prawn and crab pots, and fish boxes to be stored on quayside areas only with the permission of, and as directed by, the Harbour

The Trust will not be responsible for the safe custody of any goods landed or deposited on the quays or premises, whether in the open or otherwise; nor will it accept any liability for any loss (whether partial or total) or for any damage however arising which may happen to such goods.

Any vessel holding charitable status shall be granted, if available, free berthing facilities within the Harbour.

- (a) Vessels anchoring or berthing within the Harbour solely on compassionate or emergency grounds for a period of less than two hours and not using any other facilities will be free of charge.
- (b) However, if the period in port exceeds two hours and / or the vessel takes on fuel, ice, stores, water etc., the normal rates scheduled will apply.

Registered fishing vessels berthing for the sole purpose of taking on fuel, ice, stores, water etc, and where the duration of stay does not exceed that necessary to achieve this objective, shall at the discretion of the Harbour Master not be liable for berthage.

In case of any dispute arising from interpretation of the Schedule of Rates and Dues, the Trust's decision shall be final.

All vessels using harbour facilities must furnish the harbour office with a copy of their valid insurance schedule.

A waste oil tank and filter bin is provided for harbour users. Those caught illegally dumping spent oil in harbour rubbish bins will be subject to prosecution.

A waste skip is provided for the exclusive collection of fishing litter such as old nets, warps and creels trawled up during fishing. Those caught illegally dumping non fishing waste in this designated skip will be subject to prosecution.

Layover terms for any vessel must be agreed in advance with the harbour office. Failure to do so will result in the vessel being removed to a harbour mooring (at the owner's risk) at a fee of £12 per night until alternative arrangements have been agreed.
