

## **Ullapool Harbour Trustees – Notice to Mariners – No.1 of 2022 (27/09)**

### **Chart BA2500-2**

#### **Shore Street Proposed Promenade, Quay and Pontoons/Marina – affecting Commercial and Fishing Vessels, Leisure Craft, Commercial Sea Faring Excursions, Canoeists/Kayakers and Other Marine Vessels**

Works to the Inner Harbour area, between the north face of the Main Pier and Shore Street, will be ongoing until June 2023.

This work will include widening of Shore Street, seawards, to construct a new promenade and revetment; construction of a new sheet piled quay at the inner corner of the harbour where Shore Street meets the access to the bus terminus; dredge deepening of the Inner Harbour by marine and land-based plant; and installation of pontoons on piled supports and of a floating attenuator on chain moorings, to form a new marina.

These works will affect Commercial and Fishing Vessels, Leisure Craft, Commercial Sea Faring Excursions, Canoeists/Kayakers and any other Vessels using the Harbour.

All vessels wishing to use the harbour facilities must contact the Harbour Authority on 07739 951178 or VHF 14 pre-arrival for an update on accessibility.
