

Harbour Notice

Harbour Trustee Vacancies 2023

In accordance with the Ullapool Harbour Revision Order (Constitution) 2011, three of the existing appointed Trustees are required to stand down on 30th November 2023.

Ullapool Harbour is a busy and thriving business that requires a diverse, strong, engaged and active board to help protect its assets and shape its future. We would like to invite expressions of interest from Lochbroom-based residents whose different perspectives and experience would broaden the existing skills profile.

The list of collective specialist skills that the board should ideally possess are listed in the 2011 Order as follows:

- management of harbours
- shipping or other forms of transport
- the fishing industry
- sailing and other water-related leisure activities
- navigation
- industrial, commercial or financial matters
- administration
- the law relating to Scotland
- safety
- personnel management
- environmental matters
- other skills considered relevant by the Trustees

Candidates for appointment as Trustees must be able to commit to a minimum of a 2-3 hour meeting every six to eight weeks. During development projects it may be necessary to attend additional meetings as required. There is no financial remuneration for these duties, although all reasonable expenses incurred whilst on harbour business will be met.

In the first instance, prospective applicants should email or write to the harbour office for further information.

Closing date for applications 9am Monday 30th October 2023

All enquires will be treated in strictest confidence.
